DRAWN	Area Plan: 1:20 Plan	Feature Plan:	Sections: 2 sections
-------	-------------------------	---------------	-------------------------

REMARKS; INTERPRETATION: Notable none of granite dust or in FHS immediately at SE corner Fc17. SL Cable cuts across Fc17. So excavated sections NE, & SW corners. Bedrock bottom reddened (by scorching?)
 FHS actually in Fc17 gradient
 6 x 4.5 x 2
 Largest Limestone Frag. Range to very small
