PHOTOGRAPH	Color: Roll/ 2 No./ 13, 14	B&W: Roll/ 2 No./ 9, 10
------------	----------------------------	-------------------------

DRAWN	Area Plan: 1:20	Feature Plan:	Sections: 1:10 section w. Fc18
-------	--------------------	---------------	-----------------------------------

REMARKS; INTERPRETATION: Perhaps associated w. Fc18. Some of fill taken out may be poor quality yellowish ferruginous natural rock. Small hole - 2cm diam - End artificial?

A "drag" mark for block moved assoc. with Fc18?
