DRAWN	Area Plan: 1:20 NE	Feature Plan: 1:10 Surface	Sections: 2 at 1:2
-------	-----------------------	-------------------------------	-----------------------

REMARKS; INTERPRETATION: ★ minute pottery particles of bright red-orange ware
 * 2a under Flint cache - prob. same as 2
 ** Slightly darker than 2a - distinguishing feature yellow clay spots
 What distinguish fill 2 - 2b from fill of Fh16 2 - here def. brown color white
 2 Fh16 greyish.
