			29858																																		
Your interpretation: Internal <input type="checkbox"/> External <input checked="" type="checkbox"/> Structural <input type="checkbox"/> Other (specify) <input type="checkbox"/>																																					
Your discussion: This feature is a pit which could be a continuation of S. Hassan's trench (dug to chase mud face [29.027-29.028] of wall 29026) However it appears to be truncated by 29854.
