Your interpretation:		Internal External Structural Other (specify)																																
Your discussion:																																		
<p>OBSCURE DEPOSIT OF COLLAPSED MUD BRICK. NATURE OF MATERIAL SUGGESTS COLLAPSE BUT AT POINT OF EXCAVATION UNABLE TO DETERMINE WHERE FROM. POSSIBLY ALSO COLLAPSE FROM WALL (30848). IT ALSO APPEARS THAT A RAMP OR STEP CONSTRUCTION (32426) & (32427) WERE WAS CONSTRUCTED WITHIN IT?</p>				Placement in square <div style="border: 1px solid black; height: 100px; width: 100%;"></div>
