Below the wall is a trapezoidal area labeled "(30936)" with a north arrow pointing towards it. A dimension line to the left of this area is labeled "60 cm". To the right of the trapezoid is a vertical section labeled "limestone" with a north arrow pointing to the right. Below the limestone section is a vertical dimension line labeled "25 cm". Below the limestone section is an elevation marker labeled "17.49". There is some scribbled-out text below the limestone section.
