

Site: GPMP Area: KKTAI	GRID SQUARE(S) 101 Q/R/S 22+23	ARCHITECTURE	FEATURE 30972
1. Material	1, limestone & mortar mix.		
2. Size of materials	2, large large, but not well sorted see directions below		
3. Finish	3, roughly hewn.		
4. Coursing/bond	4, approx. 5-6 courses mostly laid on their stretchers side-but		
5. Form	5, rubble built wall with large flag stones vertical		
6. Direction of faces	6, N/S/E/W		
7. Orientation	7, N/S/E/W		
8. Dimensions	8, 10.10m x 7.80 x 1.20		
9. Associated collapse	9, -		
10. Foundations, cuts & fills	10, [30028] bisects it in SE corner & SW corner.		
11. Repaired	11, -		
12. Associated floors	12, -		
13. Plastered	13, mixed with mortar, as seen at the bottom mostly, perhaps making		
14. Wall core	14, 30973 - small gravel in water tight?		
15. Types of brick (%)	15, 80% limestone, 20% mortar used		
16. Composition of bricks	16, -		
17. Dimensions of bricks (sample of three)	17, 20x19x15 / 53x19x? / 60x28x?		

Stratigraphic Matrix	Abuts	Above
	Abutted by 30971	Below
	Bonded into	30973
	Contiguous with	30971

INTERPRETATION	Enclosing	Internal	External
Reason for decay	rubble built limestone wall (enclosing basin)		
Indications of original dimensions	As seen in section 2009-80/[30028] the large stones		
Indications of original functions	of the basin wall are stacked into and leaning into the gravel wall core. This gravel wall core seems to be the same material as the second terrace 30964/30969. The slope of all the basins was likely constructed first, then they made it by shaping this material. Then they stacked on the larger beautiful flag stones mixed with mortar. This wall is not vertical leaning backwards at perhaps 80°.

Sketch Drawings (in plan and in profile)

Remember: do not just draw the architectural feature in isolation. Show how it relates to surrounding features and include details of surface treatments, repairs/modifications/damage, bonding material(s), and associated cuts. Annotate all aspects of the feature or use a Drawing Key. Measurements must be included for all aspects of the feature and surrounding features.

Sketch Plan - Include grid co-ordinates, North arrow, and elevations.
