Date (dd/mm/yy): 07/06/08 EU: 1SU: 5015

Description: This section of the trench is ~1/2m wide (W-E) and is being excavated separately from Su 5016 because it is believed to mirror the foundation trench dug in 5014 for the wall bisecting EU1.

The unit had very little pottery and artifacts. It was excavated to bedrock. The bedrock slopes to the northwest and a very small section was excavated 24 cm. where the bedrock touches the wall.
