Procedure

Dry sieve 1 Water sieve _____ If water sieve, # of bags: _____

Finds (# of bags)

Ceramic 1 Stone _____ Bone _____ Metal _____ Organic _____ Plaster _____ Other _____

Date (dd/mm/yy): 03/06/12

EU: 15

SU: 5310

Description:

Loose soils, light brown w/ bits of rust-reddish mud brick.

Some bits of charcoal in southern part of SU5310.

Ceramics collected and possibly diagnostic. Stopped digging down in the foundation trench as they get deep enough to make leveling SU immediately next to it practical.
