W9314

This is a 24' stone long header wall. It was originally numbered W9147 as a continuation of Pido's wall 9147 in AK32. In order not to have to go through all texts and remember W9147 in AK32 as a W9147b it was decided to take a cancelled number and reuse it for this wall.

See card 9147 in AK31 for description
