Summary

Opened: To Differentiate two walls initially given the same number W9417, it is now clear that they form a corner, here

Limits (N) Unnumbered fill

(S) W9417

(E) Unnumbered fill.

(W) L9418

Closed: Finished card

Matrix: Hard to say, Unclear if matrix description of W9417 includes these. Seems to be cobble c. 40-25 cm long by 25-15 cm wide. Height unknown

Relations: Covered by L9397

North: Abutted by W9417

South: Uncertain. If a foundation may cut unnumbered fill.

East: Uncertain. Galt too close

West: Uncertain. If L9418 represents in part a Rubber Trench it may be cut by L9418.

Additional Observations/Value: Might be a continuation of W9278 from A633
